

Building pathways to the future

May 5, 2017

Dear Parents of St. Mary of the Lake School,

Please be advised that our Living Waters Central Office is aware of the issues that are being circulated about St. Mary of the Lake School.

We are awaiting a summary report of the hearing from the ATA (Alberta Teachers' Association).

This is a personnel matter and confidentiality must be respected. It would not be legally permissible for me to comment further.

Rest assured we are focused on providing a safe and caring learning environment for all of our students at St. Mary of the Lake School.

Sincerely,

Jo-Anne Lanctot
Superintendent
